NOTICE TO FILE A CORRECTED DECLARATION

Assistant Commissioner for Patents
 Box Missing Parts
 Washington, D. C. 20231

Sir:

This is in response to a "Decision on Petition" dated August 2, 2001. The Office granted Applicants' petition to revive the above-referenced case under 37 C.F.R. 1.137(b) and noted that the required petition fee was paid. The Office, however, noted an inconsistency between the way the third named inventor is listed on the international application compared to the declaration and asked that Applicants correct the declaration.

Enclosed herewith are: 1) a copy of the petition decision and 2) a corrected Declaration.
